

Beschreibung Ecoventura Deluxe MV Origin

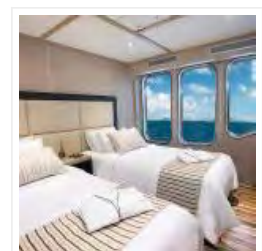

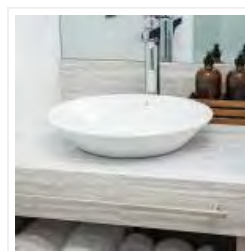

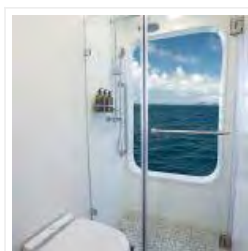

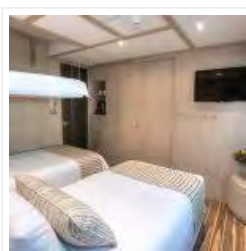

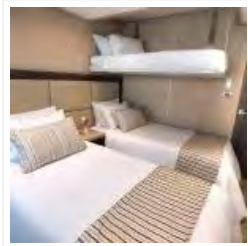

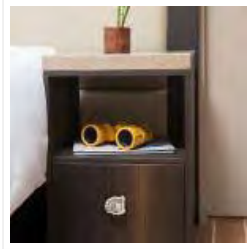

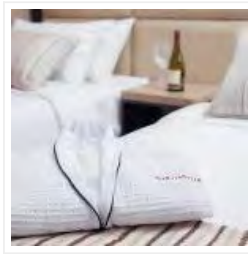

There are ten deluxe staterooms, all located on the main (Beagle) deck that are spacious and inviting, tastefully designed with stylish modern décor, a private bathroom with luxury amenities. All cabins offer unobstructed views of the ocean with large windows revealing the incredible landscapes of the islands and breathtaking ocean. Fine bed linens, climate controls and both memory foam and soft pillows ensure a comfortable night's sleep.

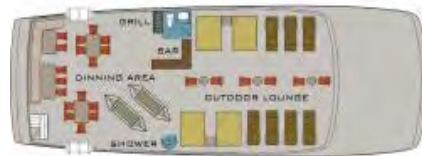

There are two twin beds that can convert to a King size bed. Two sets of cabins have interconnecting doors, and two cabins can accommodate triples. Nightstands and an ample sectional closet provide plenty of space for storing personal items.

Cabin amenities include a vanity book with a stool and lighted mirror, a Flat screen TV with pre-loaded movies, universal docking station and a safety deposit box. There is a personal Espresso machine and tea kettle set up in every cabin. All bathrooms have a modern rainfall shower, dual flush toilet, modern sink and plush towels (for beach and bath), waffle bathrobes, slippers, hair dryers and bio-degradable hand soap, body wash, shampoo and conditioner are provided. Cabins are cleaned twice daily, and a light laundry service is available (for additional charge).
