THE STORY

A SHIP WITH A HISTORY OF ADVENTURE

Tried, tested and made for exploration.

Before joining Terra Nova Expeditions, the Adventurer sailed for many years as MS Expedition and G Expedition, carrying adventurous travellers into some of the world's most remote waters.

PROVEN POLAR PEDIGREE

She has crossed the Southern Ocean, supported Zodiac landings and carried generations of expedition travellers into polar regions. That kind of experience cannot be replicated by launching something new.

LOVED BY CREW

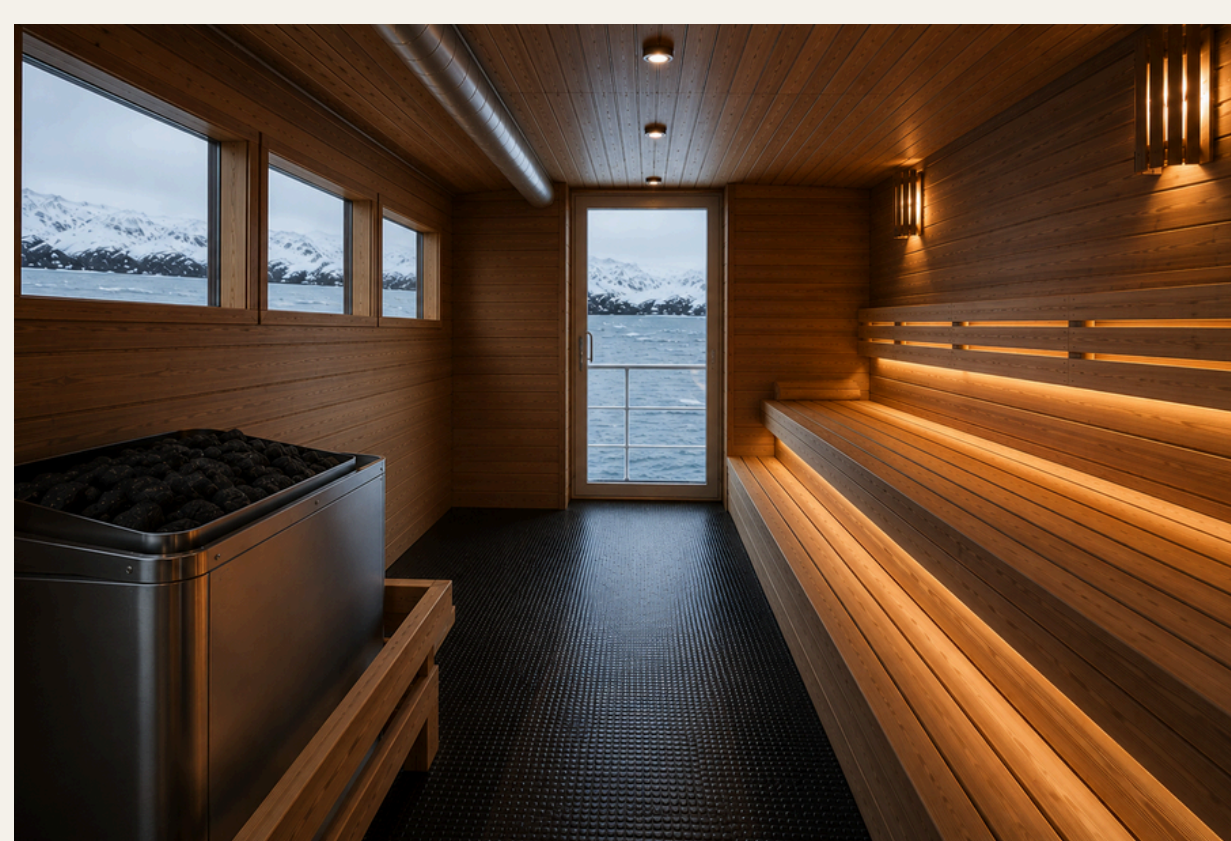

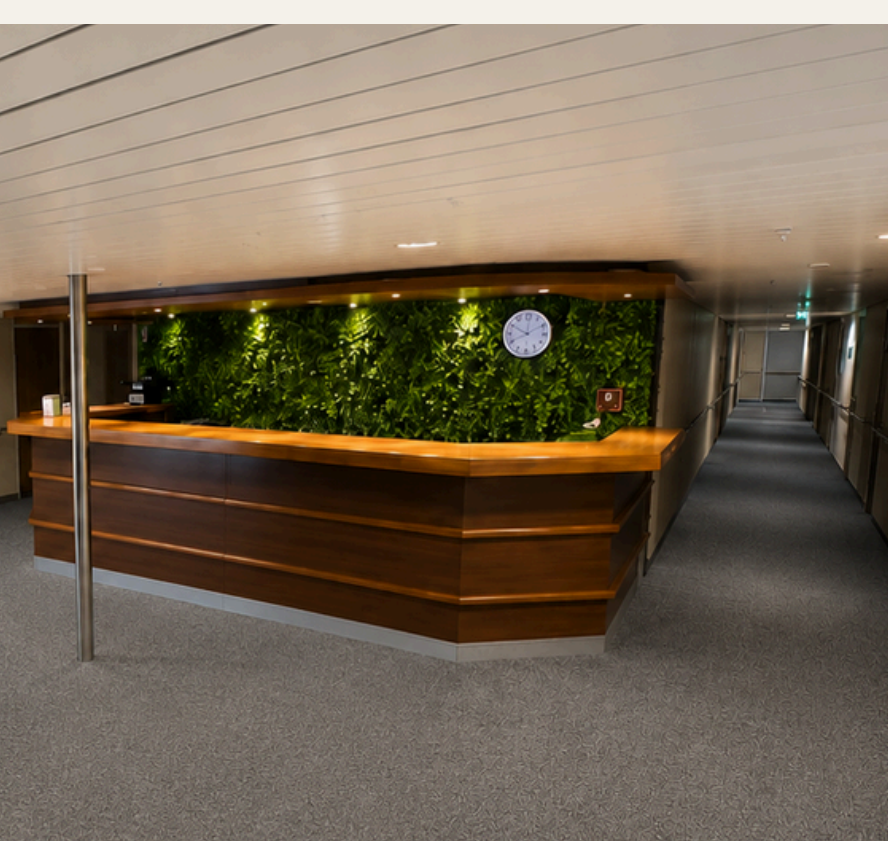

Some crew members have called her home for more than a decade. That continuity matters: her history lives on in the people who know her best.

A NEW TERRA NOVA CHAPTER

Refreshed cabins, improved public spaces and new guest amenities bring a fresh Terra Nova spirit while keeping the ship's character intact.

MADE FOR THE EXPEDITION

Her dedicated mudroom, Zodiac-ready layout, observation spaces and proven polar design are all built around one priority: getting guests out into the environment. Less cruise ship, more expedition basecamp.

WHY IT MATTERS

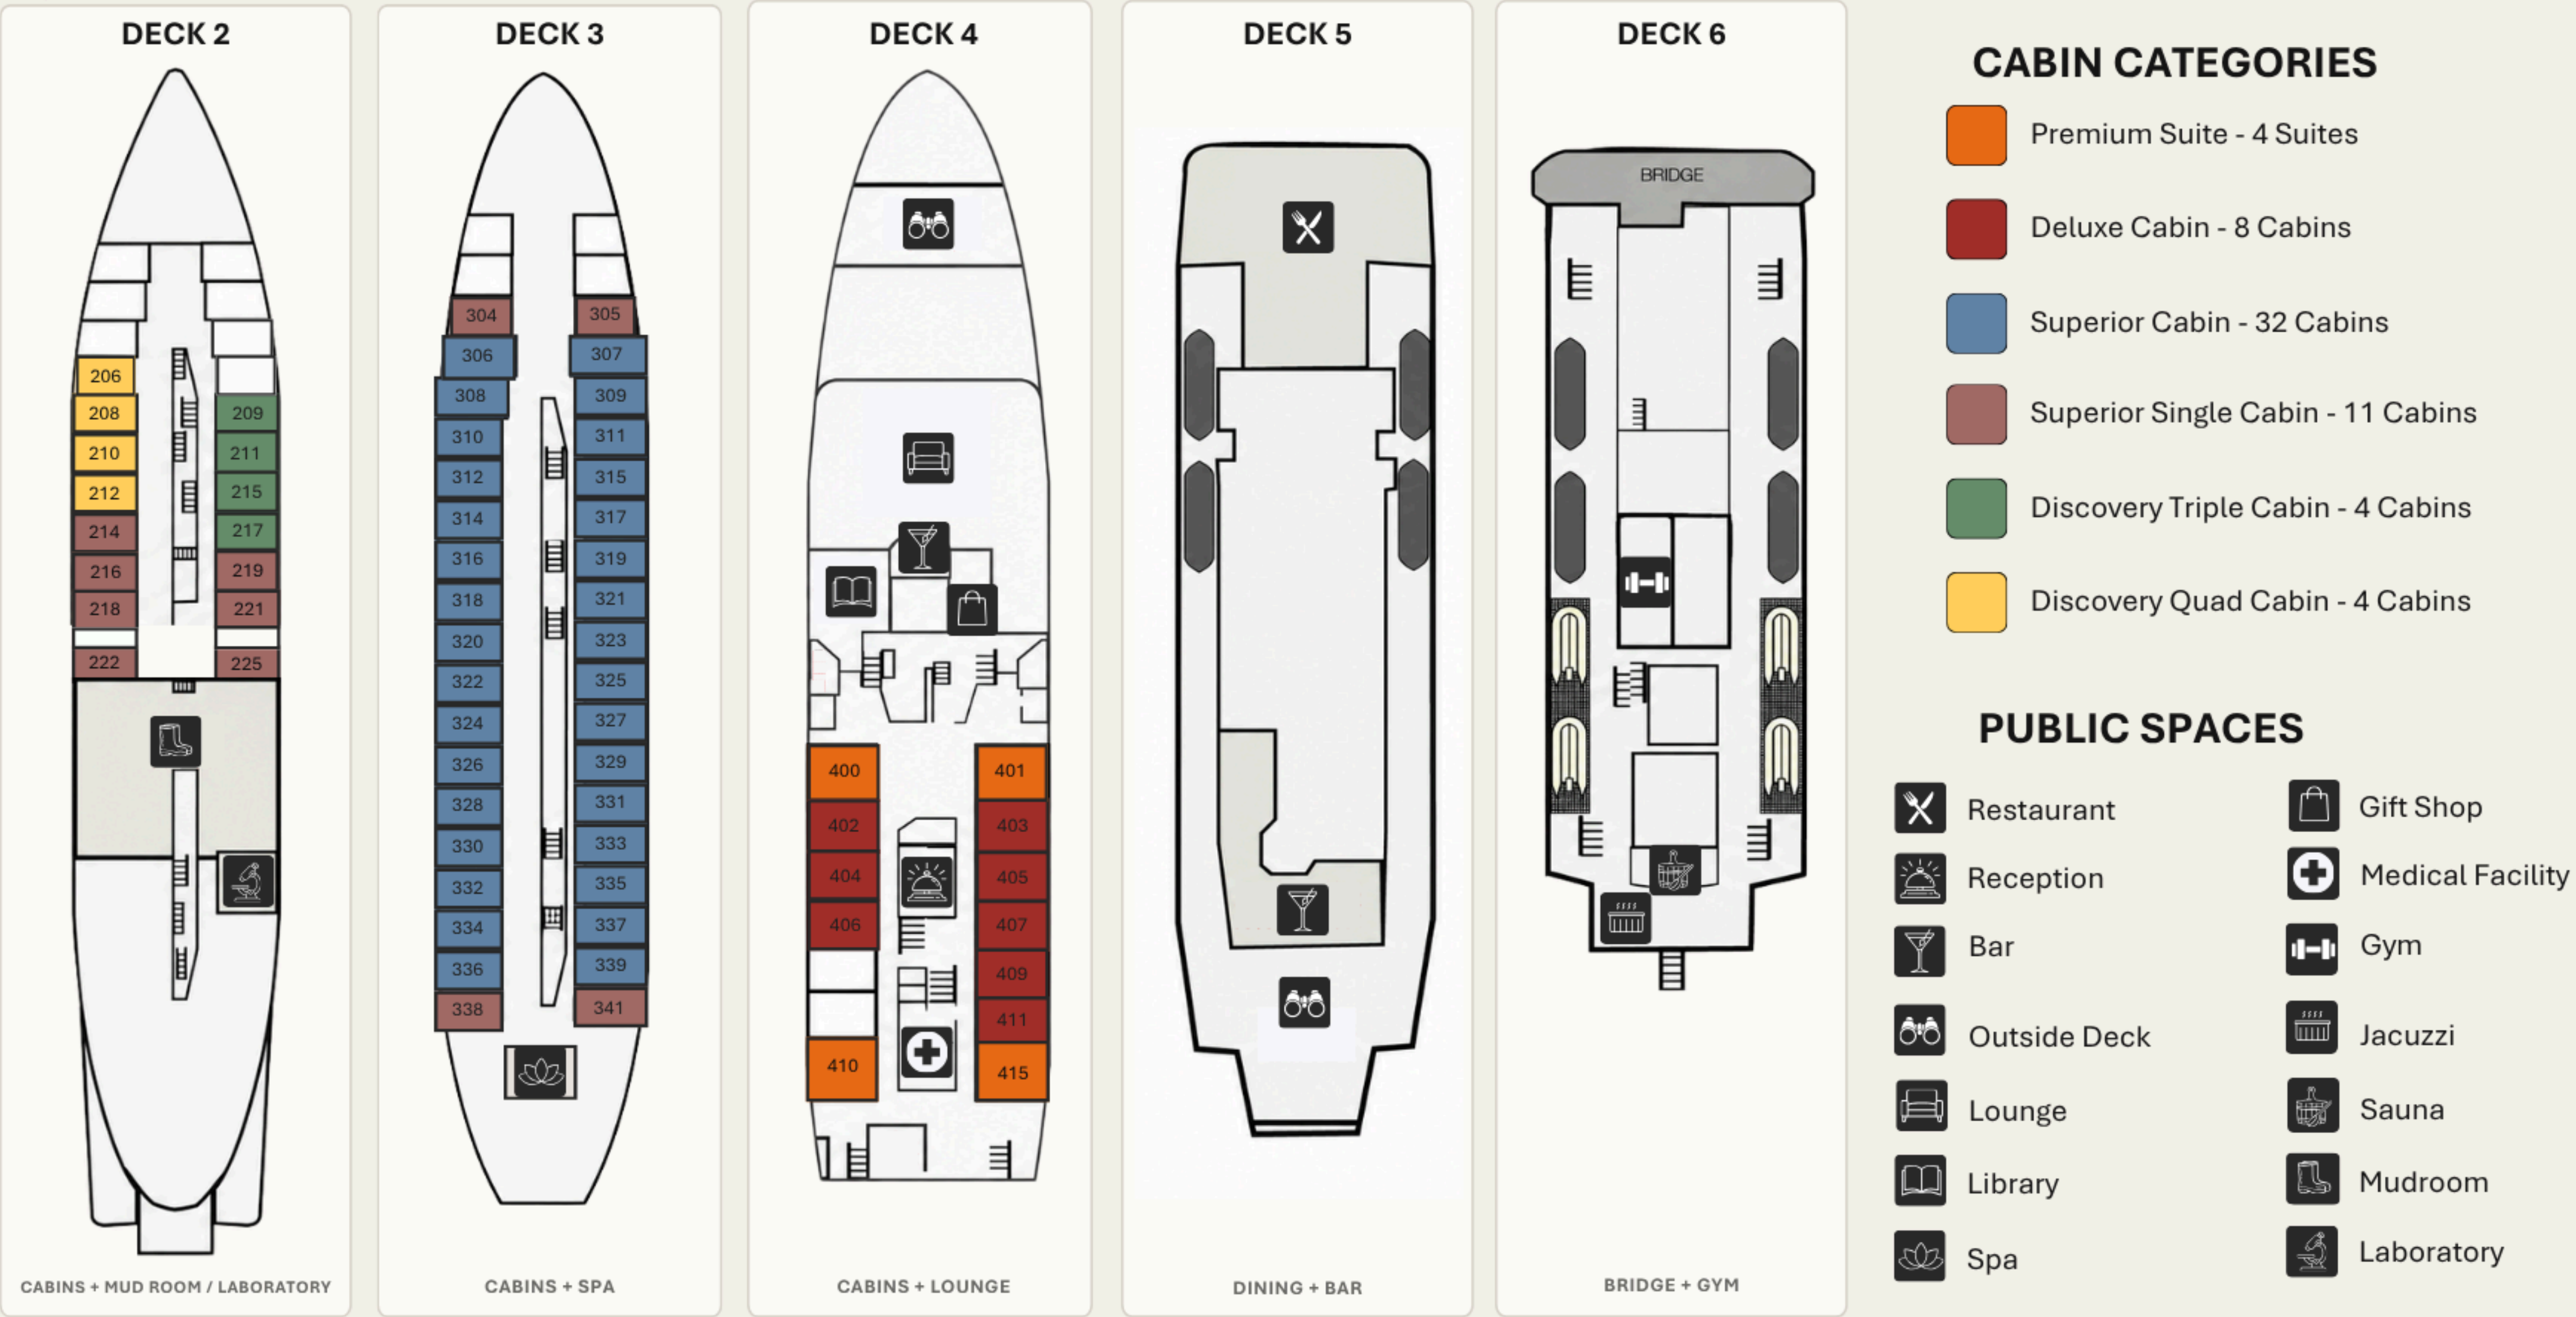

Direct Zodiac boarding from the mudroom, expansive observation decks, stabilizers, a bow thruster and years of Antarctic and Arctic operation all add up to a ship built around the realities of polar travel.

Expertly Managed Onboard

Onboard hotel operations led by a leading cruise hotel management company with decades of experience managing similar expedition vessels.

DECK PLAN AND CABINS

TERRA NOVA ADVENTURER

PREMIUM SUITE

Cabins 400, 401, 410, 415

Deck 4 • Approx. 30 m²/325 ft²

Double bed or two single beds, with a separate lounge/seating area, desk and en-suite bathroom with jet shower. Large windows provide natural light and views.

DELUXE CABIN

Cabins 402, 403, 404, 405, 406, 407, 409, 411

Deck 4 • Approx. 17 m²/185 ft²

Double bed or two twin beds, with a desk area and en-suite bathroom. Spacious layout with large windows.

SUPERIOR CABIN

Cabins 306-336, 307-339

Deck 3 • Approx. 14 m²/150 ft²

Two twin beds, a desk area and en-suite bathroom. Each cabin features a window.

SUPERIOR SINGLE CABIN

Cabins 214, 216, 218, 219, 221, 222, 225, 304, 305, 338, 341

Decks 2 & 3 • Approx. 14 m²/150 ft²

Two single beds, a desk area and en-suite bathroom. Deck 3 cabins feature a window, while Deck 2 cabins feature a porthole.

DISCOVERY TRIPLE CABIN

Cabins 209, 211, 215, 217

Deck 2 • Approx. 14 m²/150 ft²

Three single beds, including one bunk/Pullman-style berth, plus a desk area and en-suite bathroom. Each cabin features a porthole.

DISCOVERY QUAD CABIN

Cabins 206, 208, 210, 212

Deck 2 • Approx. 14 m²/150 ft²

Four single beds, including two bunk-style berths, plus a desk area and en-suite bathroom. Each cabin features a porthole.

Designed around getting out to explore: mudroom routines, Zodiac operations, lounges, dining and public decks all support the rhythm of an Antarctic expedition.

LIFE ONBOARD

COMFORTABLE, RELAXED AND MADE FOR EXPEDITION DAYS

GOOD FOOD IS PART OF THE EXPEDITION

After a day outside in Antarctica, food matters. Expect fresh, varied and plentiful meals in a relaxed expedition atmosphere - the kind of dining that keeps the focus on the penguins, not the formalities.

STYLISH AND SPACIOUS

Inviting lounges, a well-stocked library and generous social spaces make it easy to swap stories, join a briefing or simply watch the scenery change outside.

THE CHARACTER REMAINS.

She is not trying to be a floating five-star resort. She is a comfortable expedition ship where the priority is the destination, the wildlife and the experience.

FACILITIES

EXPEDITION-READY FROM BOW TO STERN

DECK 2

Cabins + Mudroom / Laboratory

DECK 3

Cabins + Spa

DECK 4

Cabins + Lounge

DECK 5
